

Term 3 Finals are next week! What Goals do you have to finish out the term?

	Class	Goal for Final Exam	Goal for Class Grade
Period 1:	_____	_____	_____
Period 2:	_____	_____	_____
Period 3:	_____	_____	_____
Period 4:	_____	_____	_____

If you achieve your goals what would your GPA be for the term? To calculate your GPA you must add up the points you would receive per class and then divide by the number of classes you took.

	Grade	Points
A = 4pts (5pts for Honors/AP)	Per 1: _____	_____
B = 3pts (4pts for Honors/AP)	Per 2: _____	_____
C = 2pts (3pts for Honors/AP)	Per 3: _____	_____
D = 1pt	Per 4: _____	_____
F = 0pts	Total: _____	÷ 4 = _____ (GPA)

If you have a split class the calculation is a bit more complicated unless you have the same grade in both classes.

Why is your GPA important?

What GPA do you need for Gold Renaissance? _____ Silver? _____ How do you qualify for Blue Renaissance?

To qualify for the next Academic Award you must have a 3.75 GPA for Terms 3 and 4 of this school year. Will you be eligible? You must have a 3.5 or better this term to be able to qualify.

Term 3 GPA	Term 4 GPA needed to qualify
4.00	3.50
3.75	3.75
3.50	4.00

What class are you most concerned about? What has happened to put you in this situation in this class?

What steps are you taking/planning to take to ensure you can do well in that class?

Are there any classes you feel you will not pass this term? If yes, what are they and are they classes that are required to graduate?

If those classes are required to graduate, when and how will you make them up if you do fail? (NOTE: there is no summer school and it probably will not return in the next five years)
