

Transcript Interpretation Guide

1. **Student personal information**
2. **School Information, Grade level**
3. **Required Competency Exams:**
 - High School Exit Exam, English-language arts, Math.
 - Technology Proficiency
 - Speech Proficiency
4. **UC Category codes:** identifies “a-g” classes and corresponding UC category code
5. **Graduation requirements:** identifies graduation requirement
6. **Graduation Requirement Summary**
7. **Total Credits Earned**
8. **Weighted EGUSD GPA (Cumulative GPA)**
 - All grades are averaged from the beginning of high school (includes summer before ninth grade) through the last term. An extra GPA point is given for honors and AP classes
9. **Weighted College GPA**
 - All grades except PE and ROTC grades averaged from the beginning of 10th grade (includes summer before tenth grade) through the last term completed. An extra GPA point is given for honors and AP classes
10. **Unweighted EGUSD GPA (Cumulative GPA)**
 - All grades are averaged from the beginning of high school (includes summer before ninth grade) through the last term. NO extra GPA point is given for honors and AP classes.
11. **Unweighted College GPA**
 - All grades except PE and ROTC grades averaged from the beginning of tenth grade (includes summer before tenth grade) through the last term completed. NO extra GPA point is given for honors and AP classes
12. **Cal Grant GPA for seniors:**
 - GPA used by the California Student Aid Commission (Cal Grant) to determine academic eligibility for Cal Grant awards. Cal Grant used the unweighted college GPA up to the end of 11th grade year.
13. **Cal Grant GPA for graduates**
 - GPA used by the California Student Aid Commission (Cal Grant) to determine academic eligibility for Cal Grant awards. Cal Grant used the unweighted college GPA up to the end of 12th grade year.
14. **Class Rank**
 - Shows the student’s place in his/her graduation class as compared to other students. Uses the weighted EGUSD (Cumulative) GPA.

*The CSU system uses the weighted college GPA for admissions.

**The UC system uses its own calculations, which is to average the grades in the “a-g” courses in grades 10 and 11. The UC admission staff does this based on the “self reported” section of the UC application. Most of the time this calculated GPA will come close to the weighted college GPA.
